The Disability Matters Awards annually honors companies in the areas of: Marketplace, Workforce and Workplace that through innovative programs result in the successful outreach, recruitment, support and retention of candidates, employees and/or customers who have a disability. This year's winners will be honored at the inaugural 2013 ASIAPAC Region DISABILITY MATTERS Conference, on September 19, at Cisco's Globalization Centre in Bangalore, India.

The honorees represent the best of the best when it comes to the commitment required and actions necessary to successfully mainstream disability. These forward-thinking companies achieve their diversity vision through implementing cutting edge disability initiatives which improve performance, employee development, retention, and build market share.

"I am proud of in which ways companies are proactively seeking innovative approaches to include persons with disabilities weather they are customers, stake holders and/or employees. We are pleased and honored that Cisco is hosting this most important corporate event, along with this year's partner, Community Business and sponsors to include ABB, Accenture, as well as Intuit. Global sponsor is Ingersoll Rand", said Nadine Vogel, CEO of Springboard Consulting LLC.

The Inaugural ASIA-PAC Region DISABILITY MATTERS Conference will feature executive presenters from best practice corporations along with thought leaders, experts from academia and the non-profit sectors.
