This year's winners will be honored at Springboard Consulting's 3rd annual Disability Matters EU Conference & Awards to be held June 17-18, 2015, in The Hague, Netherlands. The honorees represent the best of the best when it comes to the commitment required and actions necessary to successfully mainstream disability in the workforce, workplace and marketplace. They serve as the role models we all strive to become.

In addition to celebrating our honorees and learning about their journeys to success, attendees will be further educated by subject matter experts across the spectrum of disability. If that's not all, this year's Conference, hosted by Shell, will inspire attendees with our outstanding Keynote speaker, Esther Vergeer.
