Lois Cooper and William Rolack here! We head up the CSR & Inclusion team, part of the Diversity group at Adecco. Our role is to continue to grow diversity and inclusion in Adecco's workforce and workplace, with our colleagues and associates, and with our clients in the marketplace.

Please let us know if you have a best practice that you would like to share from your company or organization regarding hiring individuals with disabilities. We would love to hear from you! To find out more about Adecco's disability initiatives please visit us [here](#).
